Dear Families,

Please find on the back side of this sheet a description for all the classes provided for youth at St. Andrew. Also, enclosed with this letter is the registration form for Religious Education classes for the 2009-2010 school year. Please complete the form and return with your payment by dropping in the collection basket, bring or mail to the office.

This year's tuition rates are as follows:

† one child is \$50

† two or more in the same family \$70.

(If cost is a problem for your family, please see me about tuition assistance.)

Classes will start the week of Sunday, September 20, 2009, respectively. Schedules for the year will be mailed in September. Catechists are still needed for CLoW and our Sunday School for PreK-K class. If you have the time and are interested in sharing your gifts with our children, please contact me.

Vacation Bible School is scheduled for the June 29 – July 2, in the afternoon from 2 pm – 5 pm. We need more adult volunteers to make this a special, successful week for our students.

If you need more information or have questions please contact me. Thank you.

Have a fun and peaceful summer,

Jenifer Jefferies
